

JADAVPUR UNIVERSITY
Faculty of Science

On-line submission of application(s) for admission to B.Sc. (Honours) Courses 2020- 21

Selection Procedure For B.Sc (Honours) Courses

Admission be made strictly according to the marks obtained in the board examination. There will be no Admission Test.

Incomplete application in any respect will be summarily rejected.

Merit lists of the candidates for Honours in Physics, Chemistry, Mathematics, Geological Sciences and Geography will be prepared as follows:

	Other Boards	WB Council
For PHYSICS	Chemistry, Physics, Mathematics (300 marks) + Physics (100 marks) of H.S./Equivalent Examination : (Score out of 400)	Mathematics of H.S. Examination (2 x 100 marks) + Physical Science of class 10 th Board Examination (2 x 100 marks): (Score out of 400)
For CHEMISTRY	Chemistry, Physics, Mathematics (300 marks) + Chemistry (100 marks) of H.S./Equivalent Examination : (Score out of 400)	Physical Science of class 10 th Board Examination (100 marks) + Life Science of class 10 th Board Examination (100 marks) + Mathematics of H.S. Examination (100 marks) + Aggregate percentage of marks of H.S./Equivalent Examination: (Score out of 400)
For MATHEMATICS	Mathematics and best of any two subjects from Chemistry/ Physics/ Computer Science/ Statistics (300 marks) + Mathematics (100 marks) of H.S./Equivalent Examination : (Score out of 400)	Mathematics of H.S. Examination (2 x 100 marks) + Mathematics of class 10 th Board Examination (100 marks) + Physical Science of class 10 th Board Examination (100 marks): (Score out of 400)
For GEOLOGICAL SCIENCES	Chemistry, Physics, Mathematics (300 marks) of H.S./Equivalent Examination : (Score out of 300)	100% of Mathematics + 50% of Physics + 50% Chemistry of H.S Examination (200 marks) + 70% of Physical Sciences + 30% of Mathematics of class 10 th Board Exam(100 marks) : (Score out of 300)
For GEOGRAPHY	Mathematics and any two subjects from Chemistry/ Physics/ Geography/Geology/Economics/ Computer Science/ Statistics (300 marks) of	Mathematics of H.S. Examination (2 x 100 marks) + Mathematics of class 10 th Board Exam (100 marks) + Geography of class 10 th

H.S./Equivalent Examination + Mathematics of class 10 th Board Exam (100 marks): (Score out of 400)	Board Exam (100 marks): (Score out of 400)
--	--

Aggregate marks calculation

Examination Board	Instruction for calculating marks.
West Bengal Council of Higher Secondary Examination	Aggregate marks of best 4 subjects excluding Environmental Studies/ Environmental Education/ Environmental Science (out of 400).
All Other Boards	Aggregate marks of best 4 subjects, out of 400 marks.

In case of bunching of marks in the merit lists for admission of the last candidate the selection be made as per the following criteria:

	Other Boards	WB Council
For PHYSICS	In case of bunching of total marks in the merit list at first the marks of Physics at +2 level be considered. Even if there is a further bunching of marks of Physics at +2 level, the marks of Mathematics at +2 level be considered. Even if there is a further bunching, the total marks obtained in best of 4 subjects at +2 level be considered.	In case of bunching of total marks in the merit list at first the marks of Physical Science at 10 th level be considered. Even if there is a further bunching the marks of Mathematics at +2 level be considered. Even if there is a further bunching, the marks of Mathematics at 10 th level be considered.
For CHEMISTRY	In case of bunching of total marks in the merit list at first the marks of Chemistry at +2 level be considered. Even if there is a further bunching of marks of Chemistry at +2 level, the marks of Mathematics at +2 level be considered. Even if there is a further bunching, the total marks obtained in best of 4 subjects at +2 level be considered.	In case of bunching of total marks in the merit list at first the total marks obtained in best of 4 subjects at +2 level be considered. Even if there is a further bunching marks of Physical Science at 10 th level be considered. Even if there is a further bunching, the marks of Mathematics at 10 th level be considered. Even if there is a further bunching, the aggregate marks of class 10 th level be considered.
For MATHEMATICS	In case of bunching of total marks in the merit list at first the marks of Mathematics at +2 level be considered. Even if there is a further bunching of marks of Mathematics at +2 level, the total marks obtained in best of 4 subjects at +2 level be considered.	In case of bunching of total marks in the merit list at first the marks of Mathematics at +2 level be considered. Even if there is a further bunching, Mathematics at 10 th level be considered.
